How to Connect iPad to Apple TV

1) This will only work with an iPad 4 w/ Retna or newer.
2) Turn on TV.
3) Turn on iPad.  Swip up from bottom and tap AirPlay.

![AirPlay button]

4) Choose the TV name you want to display to.

![AirPlay selection]

5) Scroll up in the AirPlay box and make sure that Mirror is turned on (if Mirroring is already turned on, you will be immediately prompted for the AirPlay Code displayed on the TV).

![Mirror settings]

6) You will be prompted to enter the AirPlay Code that is displayed on the TV.  Tap OK.

![Enter AirPlay Code]

7) Your iPad should now be display on the TV.
